

NOT DO - BUT - DONE

LIVING

FROM THE COMPLETED
WORK OF CHRIST | Alan Platt

Many people, including some that have been Christians for a long time, struggle to understand the full implications of the Gospel. They believe they still need to do something, to perform in some way, to receive the favour and acceptance of God.

The biggest revelation that a person can discover is that you are included in the completed work of Christ. There is nothing more you can do to be saved and live in abundance, because it's done! This is the essence of the Gospel - the good news that is really good.

NOT DO, BUT DONE will help you understand the full implications of your inheritance in Christ, and establish the foundation of your journey of faith as you discover that you are in Christ - that you have died with Christ, and was raised with Him into new life.
